

Summary Plan Description

Union Plus Mortgage Assistance Program of the AFL-CIO Mutual Benefit Plan

- 1) General Eligibility** – The Mortgage Assistance Program (“MAP” or “Program”) is one of a number of benefit programs offered through the AFL-CIO Mutual Benefit Plan (“Mutual Benefit Plan” or “Plan”). The MAP provides loans and grants to individuals who (i) are current Union Plus Mortgage-holders and have been a Union Plus Mortgage-holder for at least twelve (12) consecutive months (a “MAP Participant”); and (ii) meet the specific qualifying criteria for one of the benefits described below.

If you refinance your Union Plus mortgage with a Union Plus lender, the history on your original Union Plus mortgage loan will be applied to meet the required consecutive twelve (12) month loan history, as stated in paragraph #1.

- 2) Unemployment and Disability Loan Benefit** – To qualify for the Unemployment and Disability Loan Benefit (“Mortgage Assistance Loan Benefit”), (i) you or your eligible co-signer must be an active/retired member in good standing, or the parent or child of an active/retired member in good standing, of a union that participates in the Union Plus Mortgage Program; (ii) you, or your eligible cosigner, must be out of work due to involuntary unemployment including a union-approved strike or employer lockout in effect for less than thirty (30) days at the time of application, layoff or disability; (iii) your income, or the eligible cosigner’s income, is reduced by an amount equal to at least 50% of the monthly mortgage payment; and (iv) the income loss first occurred within the 12-month period before you or your eligible cosigner applied for a Mortgage Assistance Loan Benefit.

To apply for a Mortgage Assistance Loan Benefit, you must provide (i) proof of your union membership; (ii) proof of your involuntary unemployment or disability; and (iii) proof of the resulting loss of monthly income. In addition to lost wages, income loss may include a loss of unemployment or disability benefits, or an offset to income due to the obligation to pay out-of-pocket expenses related to the disability. If you are determined to be eligible for a Mortgage Assistance Loan Benefit, you will receive an interest-free loan that will be used to make your Union Plus Mortgage payments on your primary residence only. The Plan will pay the loan amount directly to the mortgage lender. The initial loan will cover up to three (3) months of Union Plus Mortgage payments, and you can recertify your eligibility after three (3) months to become eligible for three (3) additional months of payments. The maximum number of monthly Union Plus Mortgage payments that can be paid through a Mortgage Assistance Loan Benefit is six (6) months.

If you are determined to be eligible for a Mortgage Assistance Loan Benefit, you will also receive a \$1,000 grant paid directly to you. You may receive only one \$1,000 grant as part of the Mortgage Assistance Loan Benefit per lifetime. The Plan will also pay no more than a total of six (6) months of Union Plus Mortgage payments or \$15,000, whichever amount is reached first. Up to the first \$1,000 of the first loan you receive under the Mortgage Assistance Loan Benefit will be forgiven and does not have to be repaid (“MAP Loan Forgiveness”). The MAP Loan Forgiveness is a one-time benefit for your lifetime. You are required to repay the balance of the Mortgage Assistance Loan Benefit beginning on the date specified on the “Disclosure Statement” included with the loan documents you will receive. You are required to sign and return all loan documents before any funds are applied to your Union Plus Mortgage payments.

If your total Mortgage Assistance Loan Benefit is greater than \$4,500, the monthly amount you will be required to pay back to the Plan will be 10% of your monthly Union Plus Mortgage payment. If your total Mortgage Assistance Loan Benefit is greater than \$1,000 but less than \$4,500, the monthly amount you will be required to pay back to the Plan will be \$75. If you pay off your mortgage through the sale of the home or refinancing of the mortgage, the terms of your Mortgage Assistance Loan Benefit will remain in effect until the loan is fully paid. If you or your eligible cosigner die before the Mortgage Assistance Loan Benefit is repaid in full, the unpaid balance of the Mortgage Assistance Loan Benefit will be forgiven. You are eligible to receive additional payment assistance loans for subsequent covered circumstances unrelated to prior events provided you have no outstanding amounts owed to the Plan.

- 3) Strike or Lockout Grant Benefit** – To demonstrate your eligibility for a Strike or Lockout Grant, you must be an active member in good standing of a union that participates in the Union Plus Mortgage Program, who is out of work due to a union-approved strike or employer lockout in effect for a minimum of thirty (30) consecutive days within the 12-month period prior to the date that you apply for a Strike or Lockout Grant. To apply for a Strike or Lockout Grant, you must submit: (i) the required application; (ii)

proof you are an active member, who is locked out or on strike; and (iii) a copy of your most recent mortgage loan statement. If you are determined to be eligible for a Strike or Lockout Grant, the Plan will pay no more than a total of six (6) months of Union Plus Mortgage payments or \$15,000, whichever amount is reached first. You are eligible for only one (1) Strike or Lockout Grant in your lifetime.

- 4) Veteran’s Grants** – To qualify for a Veteran’s Grant, (i) you must use the Union Plus Mortgage Program to purchase your primary residence; (ii) you must be an active union member or registered retiree as determined by the headquarter office of your union; (iii) you must submit your application for a Veteran’s Grant no later than ninety (90) days after the closing date of your Union Plus Mortgage loan; and (iv) you or your co-signer (your spouse, domestic partner, parent, or child) are a veteran (as defined by the U.S. Census Bureau) of the United States Armed Forces.

To demonstrate your eligibility for a Veteran’s Grant, you must submit a completed Union Plus Mortgage Veteran’s Grant Application and a valid DD-214 within ninety (90) days of closing on a mortgage through the Union Plus Mortgage Program. The DD-214 must clearly show “Discharge”, “Release from Active Duty” or “Retirement”. If both you and your cosigner are veterans of the United States Armed Forces, only one Veteran’s Grant will be paid, therefore it is only necessary to provide one (1) valid DD-214 to demonstrate eligibility for a Veteran’s Grant.

If you are determined to be eligible for a Veteran’s Grant, you will receive a \$1,000 grant paid directly to you. You may only receive only one (1) Veteran’s Grant per lifetime. You or your eligible cosigner may not receive a Veteran’s Grant if either you or your eligible cosigner have already received a Veteran’s Grant.

- 5) Hospital Grants** – To qualify for a Hospital Grant, you must complete the required application and provide documentation to the Plan that you are a member in good standing of a union that participates in the Union Plus Mortgage Program and demonstrate that a member of your household had unreimbursed hospital expenses (i) that are associated with a hospitalization event(s) that took place during the 24-month period prior to the date you submit an application for a Hospital Grant, but at least twelve (12) months after you became a Union Plus Mortgage holder; and (ii) your unreimbursed hospital expenses total at least either \$2,400 or 10% of your annual income.

In order to demonstrate your eligibility for a Hospital Grant, you must provide proof of your union membership and documentation of your annual income by supplying your most recent Form W2, Form 1099, income tax statement (with supporting schedules, W-2 and 1099 forms) or pay stubs covering the applicable period. You must also include the applicable hospital and insurance statements that document (i) the dates and charges for the hospitalization (“Hospital Charges”); (ii) the amount of the Hospital Charges that were covered by insurance; and (iii) the amount of Hospital Charges for which the patient was financially responsible.

If you qualify, the Plan will pay a \$1,200 Hospital Grant directly to you. You may only receive three Hospital Grants under the MAP for each mortgage account per your lifetime, but no more than one Hospital Grant per year regardless of the number of accounts you have. You may only receive one Hospital Grant under the MAP for any unique hospitalization event per year. If you already received a Hospital Grant for a specific hospitalization through one of your mortgage accounts or through another program offered by the Plan, you cannot receive a MAP Hospitalization Grant for the same hospitalization event.

- 6) Disaster Relief Grants** – To qualify for a Disaster Relief Grant, you must complete the required application and provide documentation, if requested by the Plan, to prove you (i) are a union member in good standing with an eligible union; (ii) have a Union Plus Mortgage on your primary residence that is in good standing for twelve (12) consecutive months at the time of the “Incident Period” listed in the Federal Emergency Management Agency (FEMA) Disaster Declaration; and (iii) have your primary residence located in a county or parish affected by a natural disaster listed in a FEMA Disaster Declaration offering “Individual Assistance”.

In order to demonstrate your eligibility for a Disaster Relief Grant, you must supply required information to Union Plus within 24 months of the documented “Incident Period” date(s) listed in the FEMA Disaster Declaration. This information must include (but is not limited to): (i) the address of your primary residence; (ii) the county or parish of your residence; (iii) if applicable, an alternative mailing address; (iv) your phone number(s); (v) your loan number.

If you are determined to be eligible for a Disaster Relief Grant, you will receive a \$500 grant paid directly to you. You may only receive three (3) Disaster Relief Grants per your lifetime, but no more than one (1) per year. However, you must exhaust your administrative remedies by appealing the denial before you have the right to bring an action in state or Federal court. Failure to exhaust these administrative remedies will result in the loss of your right to file suit.

- 19) **Statement of ERISA Rights** – As a participant in the AFL-CIO Mutual Benefit Plan, you are entitled to certain rights and protections under the Employee Retirement Income Security Act of 1974, as amended (“ERISA”). ERISA provides that all Plan participants shall be entitled to:

*Examine, without charge, at the Plan Administrator’s office, all documents governing the Plan and a copy of the latest annual report (Form 5500 series) filed by the Plan with the U.S. Department of Labor and available at the Public Disclosure Room of the Employee Benefits Security Administration.

*Obtain, upon written request to the Plan Administrator, copies of documents governing the operation of the Plan and copies of the latest annual report (Form series 5500) and updated Summary Plan Description. A reasonable charge may be made for the copies.

*Receive a summary of the Plan’s annual financial report. The Plan Administrator is required by law to furnish each participant with a copy of this summary annual report.

In addition to creating rights for Plan participants ERISA imposes duties upon the people who are responsible for the operation of the employee benefit plan. The people who operate your Plan, called “fiduciaries” of the Plan, have a duty to do so prudently and in the interest of you and other Plan participants and beneficiaries. No one, including your employer, your union, or any other person, may fire you, or otherwise discriminate against you in any way to prevent you from obtaining a welfare benefit or exercising your rights under ERISA.

If your claim for a welfare benefit is denied in whole or in part, you have a right to know why this was done, to obtain copies of documents relating to the decision without charge, and to appeal any denial, all within certain time schedules.

Under ERISA, there are steps you can take to enforce the above rights. For instance, if you request a copy of Plan documents or the latest annual report from the Plan and do not receive them within 30 days, you may file a suit in a Federal court. In such a case, the court may require the Plan Administrator to provide the materials and pay you up to \$110 a day until you receive the materials, unless the materials were not sent because of reasons beyond the control of the administrator. If you have a claim for benefits, which is denied or ignored, in whole or in part, you may file suit in a state or Federal court. If it should happen that Plan fiduciaries misuse the plan’s money, or if you are discriminated against for asserting your rights, you may seek assistance from the U.S. Department of Labor, or you may file suit in a Federal court. The court will decide who will pay court costs and legal fees. If you are successful, the court may order the person you have sued to pay these costs and fees. If you lose, the court may order you to pay these costs and fees, for example, if it finds your claim frivolous.

If you have questions about your Plan, you should contact the Plan Administrator. If you have questions about this statement or about your rights under ERISA, or if you need assistance in obtaining documents from the Plan Administrator, you should contact the nearest office of the Employee Benefits Security Administration, U.S. Department of Labor, listed in the telephone directory or the Division of Technical Assistance and Inquiries, Employee Benefits Security Administration, U.S. Department of Labor, 200 Constitution Avenue NW, Suite N-1513, Washington, DC 20210. You may obtain certain publications about your rights and responsibilities under ERISA by calling the publications hotline of the Employee Benefits Security Administration.
